Product Description M2 Sport Adjustable Catalytic converter JDM 2.5 (Civic/CRX/Del sol/Integra)

Description

Our M2 Motorsport de cats are always made from 304 stainless steel. They have beautiful tig welds, shame that the decat is under the car. The attention to detail is superb!

Specs:

- Adjustable in length (from 32-48cm)
- 2.5" pipe diameter
- 2,5" DONUT flange (manifold side) **for most JDM 2.5" manifolds and aftermarket manifolds with big bore collector.**
- 2,5" 3-bolt flange on the centre section side (Fits OEM and aftermarket centre sections)
- Complete with clamp, bolts, nuts and 1 gasket.

Applicable to:

- Civic 88-91
- Civic 92-95
- Civic 96-00
- Civic 95-01
- CRX 90-91
- Del sol 92-98
- Integra 95-00 Type R
